

Pre-University Program Structure

The Pre-University Program is a two-year program; Pre-University Level 1 (PUL-1) & Pre-University Level 2 (PUL-2). In this Two-Tiered program students will complete a minimum of 4 mandatory A-levels qualifications.

For ALL students accepted into the Pre-University Program at BIS; English Language or English Literature is a compulsory subject. In addition, students are required to select 3 more qualifications out of the list of A-level qualifications offered at BIS

Elective Courses

Students wishing to opt for additional Elective Courses from the list of Elective Courses offered at BIS, the study schedule for those courses will be discussed and set in accordance to the student's capabilities. The student will have an option to either complete the Elective Course in PUL-1 or divide it over PUL-1 and PUL-2 completing 50% of the course in each year.
